

# LOWER VALLEY WATER DISTRICT

## Automotive Fuel Services – Diesel and Unleaded RFP No. 24-0422-02

### ADDENDUM NO. I

Attention of all bidders is directed to the following modification made to RFP NO. 24-0422-02;  
Automotive Fuel Services-Diesel and Unleaded:

#### **Questions and Answers:**

#### **The District's Estimated Usage is as follows:**

Diesel 120,000 gallons

Unleaded Gasoline 40,000 gallons

#### **What are your office hours to receive FedEx packages on 04/18-04/18?**

The last FedEx delivery for LVWD Main Building is 2:00 pm Mountain Standard Time.

#### **What is the anticipated contract start date?**

Contract will commence shortly after May 23, 2024, if approved by the Board. The awarded vendor will receive Purchase Order.

#### **When is the award date?**

Friday, May 24, 2024, if approved by the Board during the Regular board meeting scheduled for May 23, 2024.

#### **When is the first board meeting after the opening?**

Thursday, May 23, 2024.

#### **What is the average load size for gas and diesel? Do you do combine loads?**

Diesel 4000 gallons and Unleaded 1000 gallons

Loads can be combined in the same truck but different compartments if loading platform allows it.

#### **How many consecutive years has the current vendor been awarded?**

Six years

#### **Do you consider common carriers to be subcontractors?**

Yes. Vendors must comply with Item #5, page 3, Section B.

#### **Will a metered bill of lading be acceptable in place of the metered truck requirement?**

It must be Bill of lading from loading platform.

#### **Have any addenda been released for this bid?**

Addendum #I will release on April 16, 2024

**Who is your current vendor and what is their submitted margin for each product?**

C&R Distributing is the current vendor, the submitted margin is subject to the open records act.

**END OF ADDENDUM NO. I**
